Dear Mr. Krause.

On behalf of the Farmory's leadership team, I would like to thank you for your recent donation of \$10,000 to The Farmory capital campaign. We received your check #1088 on September 21st. This brings the Associates total gift to \$20,000, and we can't thank you enough for your incredibly generous support. Your gift will be memorialized in a naming right to one of our Aquaponics Grow Stations, in a location that is highly visible to public visitors to our facility.

Now, thanks to your generous support, we are that much closer to turning this vision into a thriving, self-sustaining aquaponics farm that will provide both educational and entrepreneurial opportunities for our community. Your faith in our mission is greatly appreciated.

The Urban Partnership Community Development Corporation (DBA The Farmory) is a 501(c)(3) tax-exempt organization as recognized by the Internal Revenue Service. No goods or services, in whole or in part, were received in exchange for this contribution; therefore, the full value of your contribution is deductible for income tax purposes. This letter is provided by The Farmory in order to express our gratitude and to comply with the rules and regulations promulgated by the Internal Revenue Service. Please retain this letter with your tax records.

In order to keep you involved in progress of The Farmory, we will add your information to our donor recognition list unless you would like to abstain. If we have interpreted your gift intention incorrectly or if you have any other questions about the project, please contact me at claire@nwgreenbay.org or (920) 593-3708.

Sincerely,

Claire Thompson
Executive Director
