Dear Randy,

Thank you for your very generous donation of \$20,000.00! Your investment ensures that farmers get the practical advice, training, and resources they need to succeed in an organic and sustainable farming system.

MOSES and the organic community are stronger because of caring individuals like you! I truly appreciate that you have chosen to support the growth of organic farming through our work. I hope you'll let others know about our mission.

On behalf of the rest of the team—the MOSES Board of Directors, our hardworking staff and the thousands of farmers we serve every year—thank you again for your donation.

Sincerely,

John Mesko
Executive Director

MOSES is a 501(c) (3) nonprofit organization and has not provided any goods or services in exchange for your donation, which is fully deductible to the extent allowed by law.
