

*Adolph Fredrickson, Don Plier and Dr. Paul Whyte*

## **Award Presented to Dr. Whyte**

On December 30, 1998, President Mike Hittner, Treasurer John Hoeting, 1st Vice President Adolph Fredrickson, and Director Don Plier met with Dr. Paul Courtwright Whyte at his residence in Oshkosh. The purpose of the meeting was to pass the position of Registered Agent for the Trautmann-Lee Natural Foods Fund from Dr. Whyte to Don Plier. The stock holdings and certificates of the Fund were transferred.

Following that we presented Paul with a well-deserved plaque honoring him for his thirty-five years of dedicated service to the Wisconsin Natural Food Associates and the Trautmann-Lee Natural Foods Fund.

On behalf of all our members I would like to thank Paul for all he has done for the organization and for what he is still doing for us. Although he is unable to be present at our meetings his articles still appear in the Wisconsin NFA Bulletin.

—Adolph Fredrickson  
1st Vice President
